SCHOOL YEAR
2022-2023

ADMINISTRATION

VIVIAN PINEDA
GENERAL DIRECTOR

God has allowed us the blessing of educating for 18 years and seeing the success of many of our students nationally and internationally. We wish with all our hearts to be able to continue providing an education with values to the educational community in Guatemala.

LIZA ECHEVERRÍA
ACADEMIC DIRECTOR,
PRESCHOOL AND ELEMENTARY COORDINATOR

This school year marks a year like no other. We came back to the classrooms after two years of distance learning. I am honored to have been a part of this unprecedented event and astonished by your hard work and determination. CAS is a wonderful school community that is because of you!

Always seek God in everything you do in your life, no matter the obstacles you face. Believe in what He has declared over your life, treat others like you wish to be treated and keep moving forward.

To our graduating seniors, your time here was the beginning, and you will move on to big things no matter where you go. You will always be a part of the CAS community, and our doors will always be open for you.

May God bless you and remember that: "You are like trees planted along the riverbank, bearing fruit each season. Your leaves never wither, and you prosper in all you do."

Psalms 1:3

DANIEL REYNA
MS & HS COORDINATOR.
MATHEMATICS COORDINATOR

It was so good to be back in the school, in person classes are so much fun and during the year we went through different situations that help us to grow and teach us the best way to be always learning. We hope you enjoyed all the activities, that all the staff prepare with a lot of effort. We are thankful with God because He let us finish another school year with great blessings, we are thankful with the students that help us every day to have a nice environment in the school, the parents that participate in the activities and also we are really thankful with all the staff, teachers, secretaries, janitors, that use their time to guide the students during all the year. Now we look forward to keep working for all the great activities for next year, and meanwhile remember to be siempre alegre!

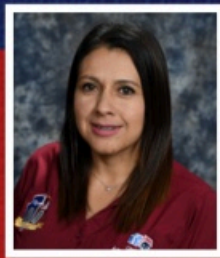

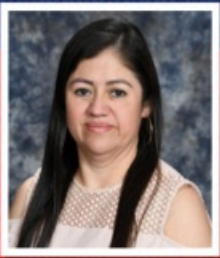

LEONOR HERNÁNDEZ
ACADEMIC COORDINATOR ASSISTANT

Another year passed finishing an ending a school year in your lives, in which you all have lived many changes in your lives and families after all the life changes due to the pandemic, going back to life as usual has not been easy however we had the opportunity to overcome and face challenges on the way which helped us get to know each other better and become better persons every day. I'm sure we all have beautiful memories that will stay in our memory forever and will benefit us as we move on to a new cycle. My desire is that we always stay close to God asking for his help and guidance in everything, I wish you all success in your personal and family lives.

How fortunate and humbling it was to form close relationships with each and every one of the students in my homeroom. On the first day of class, I was anxious about how my students would react to having me, an old man, teach them English literature. It didn't take me long to feel at ease among the ninth grade's fantastic mix of students. We crammed what seemed like a year into only four. We studied the works of Shakespeare, Tolkien, and Hemmingway, but what we took away from our time at C.A.S. was an understanding of God and the value of Christian friendship. Having had this ELA Literature class at Christian American School has been a blessing, and I look forward to what next year may bring. I look forward to seeing you again soon.
