- From the Director's Desk
- Chapel/Bible Message
- Important Dates
- Student of the Month
- Teacher of the Month
- Teacher's Corner
- Reminders
- Events
- CAS Rewards

It is incredible how fast time flies! It feels like we were only beginning our first day of school when it has been a whole month! We enjoy seeing all of your happy faces every day.

Returning to in-person classes has been a significant adjustment for all of us. I want to congratulate everyone's effort in adapting to this new change. Every new challenge brings new opportunities for improvement, and don't we all need this growth in our lives?

I want to remind you what the scripture says in Ecclesiastes 7:8; "Finishing is better than starting. Patience is better than pride." Everyone usually begins the school year with a positive attitude; determined to have their best year but later forget that persistence or maybe just get tired of trying without seeing any results. Please remember that all your effort will always bring you closer to success. Don't give up! If you do not have the results you were planning to have, keep trying! Patience and perseverance will keep you on that road to success!

CHAPEL/BIBLE MESSAGE

GENEROSITY

Ps. Daniel Echeverria

Generosity goes beyond a spontaneous act of giving, it is a whole lifestyle. This is because it has nothing to do with actions but with a virtue of character formed in the life of a child of God. Generosity is constantly giving ourselves to others, it is being clear that God does not give us to receive but to give, it is not to retain what I have received but to be given to others. The Bible says:

In everything I have taught you that, working like this, you should help those in need, and remember the words of the Lord Jesus, who said: It is more blessed to give than to receive.

Acts 20:31

Giving becomes a lifestyle for the generous heart, it is part of their character. How blessed is the man who has understood that giving is better than receiving, since this will cause the person to never have a lack of harvest because there will be no lack of sowing. This month we will teach our students the virtue of generosity, not only as a value but as a principle of life in order to develop a life of abundance.

IMPORTANT DATES:

School ID Picture Day: September 6

Independence Celebration: September 14

National Holiday: September 15

TEACHER'S CORNER

Ms. Lucky Pernillo

Guatemala is celebrating!

We start our patriotic month in commemoration of the independence of Guatemala which is celebrated every 15th of September. Having already been 201 years of independence, it has allowed Guatemala to be declared and recognized as federated states of the independent Republic according to historical records, later the Federal Republic of Central America. Guatemala gained its independence from Spain without suffering from the wars that much of Latin America had experienced.

This date marked an important event in the history of Central America and at the national level, as is tradition, many Guatemalans are seen in the streets wearing the blue and white colors that represent the national flag of Guatemala.

Here at CAS we are preparing a special event for our students and their families. We believe that we demonstrate our love for our country by praying, which is why we will be taking a moment to pray for Guatemala and its people. We invite all of our parents to come, pray and enjoy the show our students will perform. There will be music, dances, games and food. Let's celebrate the privilege we have to live in a country where we can be free.
