MESSAGE FROM THE PRINCIPAL

Dear Students, Parents and Teachers,

This year will surely go down in history. The pandemic taught us that united for a purpose, protecting our health, we are better. Despite the physical distance we continued connected and continued to grow. We are very grateful to God that we all finished the school year with health and success. We will continue moving forward with enthusiasm, continuing to prepare each student so that they can be successful and much more capable of working through platforms so they will be much more competitive for life. This pandemic will have made us more knowledgeable about different ways of learning.

DEAR CAS PRESCHOOL,
THIS YEAR WAS DEFINITELY NOT A TYPICAL SCHOOL YEAR, BUT DEFINITELY NOT ONE I WILL FORGET. COVID-19 MAY HAVE CHANGED OUR ROUTINE, BUT IT GAVE US THE OPPORTUNITY TO COME TOGETHER AND DISCOVER NEW WAYS TO TEACH AND REACH OUT TO OUR PRESCHOOLERS WITHOUT BEING IN THE CLASSROOM. OUR TEACHERS, STUDENTS, AND PARENTS WERE VERY SUPPORTIVE, I CAN'T THANK YOU ENOUGH FOR ALL YOUR PATIENCE AND KINDNESS, THROUGHOUT THIS SCHOOL YEAR AS WE WORKED TOGETHER TO KEEP EACH OTHER SAFE. THANK YOU FOR MAKING THIS YEAR VERY SPECIAL.

Kinder,
It is incredible how quickly this year flew by. I am so happy I had the privilege to work with each of you. Each one started off this school year not knowing what to expect, but ready to learn. Everyone contributed in so many ways that made each class unique. Now you are Reader's and on your way to Elementary. I am so proud of you and can't wait to see the amazing things you will do in First Grade.

Congrats!

My Dear First-grade friends:

I cannot believe the end is here and how fast the year went by! I will miss you all. I have come to love you all so much, and I am immensely proud to have been your teacher as I have watched you learn and grow. I remember all the fun we had in all the things we did, and we had so many special times. Thinking of you lights up my days, and I will always remember each of your beautiful smiles. Just know that you will always have a special place within my heart. You are very special!

GRADE 4

Ms. Imelda Stack
Homeroom Teacher

The 2020-2021 school was an amazing year. It stretched us all in so many different ways. We all adapted to a new normal. The fourth graders at CAS adapted and excelled at all the new challenges they encountered. A teacher never forgets their first year teaching which was over 20 years ago for me. But this 2020 school year is a year I will never forget. My students were amazing, their positive attitude, their tenacity and willingness to help each other grow and learn through this pandemic year will never cease to impress me. I wish them the best of luck in the next school. May God bless you and keep you. I will always remember you!
With lots of love

Dear 6th Grade,

It's been an honor and a privilege to watch you all grow over the past year. I can't believe the time has gone so quickly. But, you know what they say - time flies when you are having fun! Who could forget the Independence Day online about Retalhuleu, or the only time we actually got to see each other at Thanksgiving? As you continue through life, never forget to keep having fun while you are learning, and honor the Lord in all you do. Way to make it through a whole year online!

Cada año se viven cosas especiales, y sin duda con muchos buenos recuerdos, pero ustedes son un grupo que todos vamos a recordar, no solo por ser la promoción que todo el año pasó online, sino por su gran actitud, compañerismo y talentos. Desde ganar el torneo de soccer aun cuando no eran seniors, hasta disfrutar de la mejor gración en años. Gracias por todos los buenos momentos en meet, con los viernes de cada ocurrencia, el estar conectados aún en el baño, y aunque no hablaban mucho, al hacerlo si que era todo alegre. No los conozco a todos, o al menos no tan bien como me hubiera gustado, saber todo acerca de todos y cada uno, pues no se mucho, pero si se una cosa, Dios hará algo asombroso en sus vidas.

Dios planea algo, algo bueno, sin duda algo increíble, de eso estoy seguro. Mientras tanto no olvide disfrutar siempre de la vida, aprovechar cada momento, pues la vida pasa muy rápido y si no la contemplamos de vez en cuando, podrían perdersela. Espero pronto saber de todos los nuevos ingenieros, abogados y doctores, que vienen a mejorar nuestro país y nuestro mundo, y mientras lo hacen, solo nunca olviden estar siempre alegres!
